

VIKING

2012 NORTH AMERICAN
VIKING PRICE LIST

THANK YOU, AGAIN!

Just as we began the last Viking Price book with a big "Thank You!", we wanted to do the same this year – Viking has had another record-breaking year within North America and more of our Dry Suits suits were sold in 2011 than any previous year in our history! And as our list of satisfied Viking Diver's continues to grow, we are proud to say that our record for both product quality and customer service is unmatched by any of our competitors.

Moving forward into 2012, we are very excited to introduce great new products like our **Viking HAZTECH**. This is a brand new Contaminated Water Dry Suit, made of extremely light-weight & durable TPU material. We have also completely refreshed the whole Viking line, and incorporated many new features into our suits such as inside tape, new patterns, streamlined sizing, etc.

We would also like to point out a few changes to our Viking line. First off, you will notice that we have eliminated the individual "Viking" style (i.e. PRO 1000) and "Hunter" style (i.e. ProAm), and combined them into a single product (such as "PRO", "HD", "HDS", etc.) These single products combine the best features of each suit, and have already received positive feedback.

Additionally, based on user requests, the sizing of our Viking suits has been optimized. While the actual size sizes & dimensions have not changed, the description of sizes has been modified to match the international verbiage. This means that a size "03" suit is the same size "03" as it was, however, the size "03" formerly referred to in the U.S. as a "Large", now will be referred to worldwide as an "X-Large". See the individual suit pages for more details.

Thank you again for all of your hard & dedicated work, and for helping make Viking one of the most well-respected brands within the industry. And as always, please feel free to contact any of us with questions or concerns that you may have!

-The Ansell Protective Solutions Team

TABLE OF CONTENTS

1. Contaminated Water Dry Suits

- a. VIKING PRO (previously PRO1000 / ProAm)
- b. VIKING HD (previously HD1500 / ProHD)

VIKING® NITECS Material (pat. pending)

NITECS was developed with the sole purpose of providing never before seen protection against chemical permeation along with extreme durability against puncture & abrasion. NITECS offers not only a higher protection index against aggressive chemicals and contaminants like petroleum, diesel and aviation fuels, but is doing so while keeping the overall material weight very low.

VIKING® HDS Key Features:

- Suit made from NITECS material for superior chemical resistance
- Material weight is 1050 g/m², and is BLACK in color
- Extremely strong Vulcanized seams
- Available in 14 sizes: 00 – 05, 01Wide - 04Wide & 01DoubleWide – 04DoubleWide
(refer to size chart on our website)
- Fitted with SiTech C.W. Inlet valve and X2 Exhaust Valve
- Back Entry version only
- Rubber reinforcements from the foot over the knee to the seat, across shoulders and down on arms and in crotch area
- NITECS reinforced boots
- Integrated suspenders for ease-of-wear
- Hood options include – Surveyor, Neoprene, HDS-Magnum or HDS-Turbo

- Open wrists and legs
- Also available with HWS Gloves & HWS Boots

UNDERGARMENTS

VIKING® 3-Piece “Arctic” Undergarment

Custom Made for Viking by 4th-Element, Inc.

Includes: Top, Leggings, Removable crotch strap, socks, and carrying bag, Yellow stitching and Viking logos.

Part #	Item Description	MSRP
495601	Viking Arctic 3-Piece Undergarment, Size: Small	\$355.00
495602	Viking Arctic 3-Piece Undergarment, Size: Medium	\$355.00
495603	Viking Arctic 3-Piece Undergarment, Size: Large	\$355.00
495604	Viking Arctic 3-Piece Undergarment, Size: X-Large	\$355.00
495605	Viking Arctic 3-Piece Undergarment, Size: XX-Large	\$355.00

The Viking Arctic 3-Piece Undergarment could be one of the warmest and thinnest undergarments you'll ever own! Featuring yellow stitching and Viking logos on the chest, right arm and hip, this new garment both looks and feels great and gives the diver increased options for undergarment configuration.

Each set comes complete with top, leggings, removable crotch strap and socks, all delivered in a Viking carry-bag. The Viking Arctic 3-piece will keep you warm and comfortable in waters down to around 40°F.

Arctic 3-Piece Undergarment

VIKING® 3-Piece Base-Layer *(not shown)*

Custom Made for Viking by 4th-Element, Inc.

Includes: Top, Leggings, Removable crotch strap, socks, and carrying bag. Can be worn alone, or layered with Arctic (shown above) for added thermal benefit in colder diving conditions. See Viking for added details.

Part #	Item Description	MSRP
495701	Viking Arctic 3-Piece Base-Layer, Size: Small	\$235.00
495702	Viking Arctic 3-Piece Base-Layer, Size: Medium	\$235.00

113338001	NEOPRENE HOOD FOR QUICK-CONNECT COLLAR (LARGE)	\$ 125.00

This system is an innovative method of fitting and replacing neck seals and hoods while in the field, **without the need for using adhesives!**

The system consists of a plastic ring which is fixed to the suit at the time of manufacturing. A QC latex neck seal is then fitted into a channel by means of a lock ring. A latex or neoprene hood can also be attached into a second channel also by means of a lock ring.

The Quick Connect Collar can be ordered installed on new suits, or retrofitted onto your existing Viking suit. See an Authorized Viking Repair Facility for this service.

NOTE: THIS ASSEMBLY HAS NOT BEEN TESTED OR APPROVED FOR CONTAMINATED WATER DIVING SITUATIONS.

COMPLETE Q-C NECK RING SYSTEM,
INCLUDING LATEX HOOD, NECK-SEAL
AND INSTALLATION TOOL.

TERMS AND CONDITIONS

1. All prices are subject to change without notice.
2. All shipments are F.O.B. Mansfield, Massachusetts.
3. Prices do not include Freight, Insurance, C.O.D. or Packaging Fees.
4. TERMS: **C.O.D.**, and **CREDIT** terms are available to accounts with *approved and current* credit status.
5. A **\$50.00 SERVICE CHARGE WILL BE ASSESSED FOR ALL RETURNED CHECKS.**
6. Past due accounts must be paid in full before any additional orders will be shipped, unless prior arrangements have been approved through APS, Inc.
7. **RETURNS FOR REPAIR, OR CREDIT, WILL *NOT BE ACCEPTED* UNLESS A "RETURN MERCHANDISE AUTHORIZATION" (RMA) NUMBER HAS BEEN ISSUED BY APS, INC, IN ADVANCE OF SHIPPING. PLEASE CALL FOR ALL RETURNS.**
8. REFUSED SHIPMENTS ARE SUBJECT TO A 10% RESTOCKING FEE PLUS FREIGHT CHARGES INCURRED BOTH WAYS.
9. **DEMO SUITS** – A limited number of Viking Demo Suits are available for temporary use on "as needed" basis for specific events & sales calls. Only Authorized Dealers may request suits for demo and are responsible for their timely return, and any damages incurred to the equipment during use. Call APS, Inc. for details. *Note: Dealer is responsible for all shipping charges from and back to Viking (APS, Inc.)*
10. In the event the services of an outside agency or attorney are required to collect an outstanding balance, any and all fees and costs incurred will be paid by the dealer and added to the outstanding balance due.
11. If any discrepancies are found, APS, Inc. must be notified, in writing, within thirty (30) days from the receipt of shipment, otherwise, APS, Inc. will assume complete delivery and acceptance of order as shipped and invoiced. Claims for damages and shortages resulting from common carrier transits are to be with the deliver carrier upon receipt of merchandise. APS, Inc. will not be held liable for losses resulting from shipping delays, errors, and/or non-deliveries.
12. *THERE ARE NO REFUNDS ON CUSTOM VIKING SUITS, UNLESS AN ERROR WAS MADE BY APS, INC.*
13. *IF RETURNING NEW ITEM(S) FOR CREDIT, (60) DAYS PAST INVOICE DATE, AND ONLY IF ITEM(S) ARE IN ORIGINAL PACKAGING AND IN RE-SELLABLE CONDITION, A 10% RESTOCK FEE WILL BE INCURRED.*
14. *ALL RETURNED SUITS MUST BE ACCOMPANIED BY A SIGNED "FREE-OF-HAZARDOUS-SUBSTANCE" LETTER. A COPY OF THIS LETTER IS AVAILABLE THROUGH APS, INC.*
